

Blanding Chamber of Commerce

Website Planning Document

Site Name:

Possible website domain name: <https://www.blandingchamberofcommerce.org>,

Site Purpose:

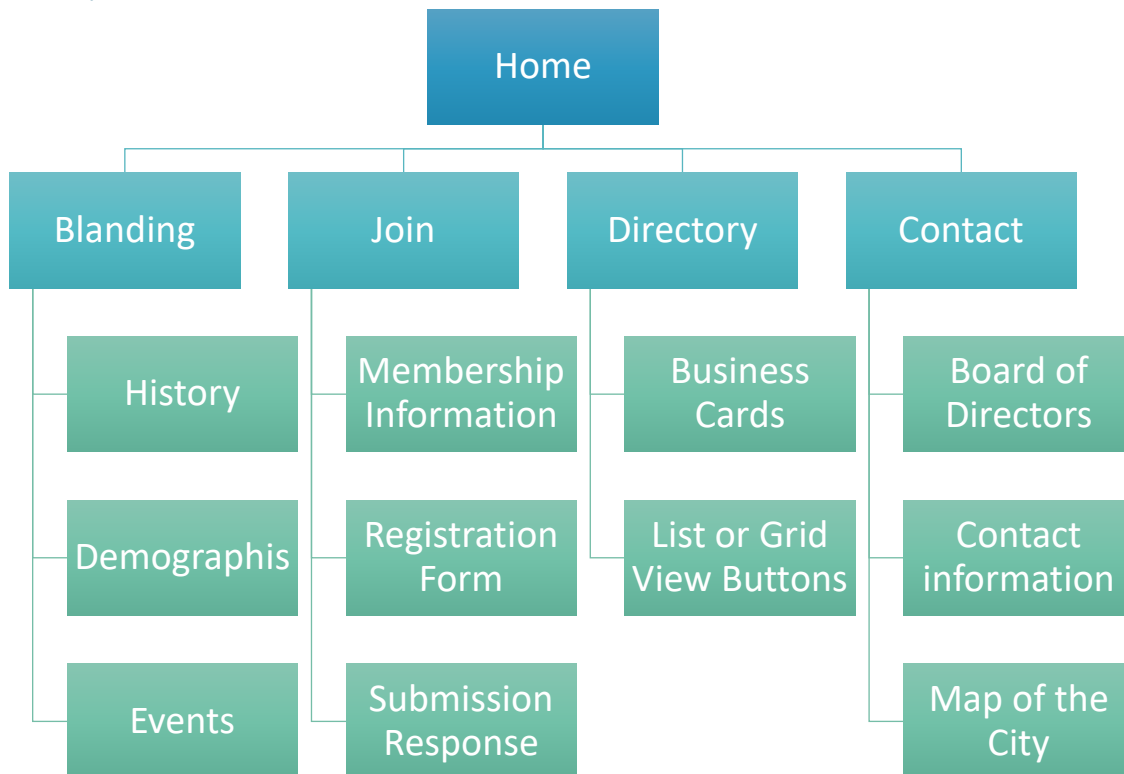

The Blanding Chamber of Commerce website is a resource for connecting business owners, managers, and entrepreneurs with the community, and visitors of Blanding City.

The website will provide visitors with information about the organization, its history, and how to become a member of the Blanding Chamber of Commerce. It will also provide a directory of local businesses, a list of area attractions, information on community events, and local weather updates.

Target Audience:

Primary users of the website will be local business owners and managers, entrepreneurs interested in opening a business in the area, members of the community, and visitors to the area.
